# Air Service

December 19, 2025

# For the first time ever, PIT will be connected with Dublin beginning May 2026

- Aer Lingus will be the third European airline at PIT
- Flights commence on May 25, 2026, with four flights per week
- Aer Lingus will utilize the Airbus A321LR for PIT, which features 184 seats, including 16 lie-flat business class seats

# Passenger traffic rose in November despite significant headwinds

Total November Passengers  
(YoY, Thousands)

# Continuing the Journey

December 19, 2025

In 2025, we realized a pivotal moment in our region's history

# Transforming PIT into a people-centered airport that reflects and serves a redefined Pittsburgh

We have expanded service less than one month  
after opening the Transformed PIT

Launching a new era of connectivity that mirrors  
our community's history of innovation

# Bringing the world to Pittsburgh, and sharing all that is Pittsburgh with the world

# A complement to the region's beauty, PIT's terraces will open to passengers in the spring

Our next transformation – the first airport in the world to produce sustainable aviation fuel

# Thank You
