Air Service

February 27, 2026

PIT is partnering with Aer Lingus on several events before the May 25 first flight to Dublin

Launch events are key to building continued awareness for the PIT-DUB route and to creating positive momentum for bookings

Events for Aer Lingus include:

- Travel Agents Event
- Corporate Travel Managers
- St. Patrick's Day Parade sponsorship with Aer Lingus

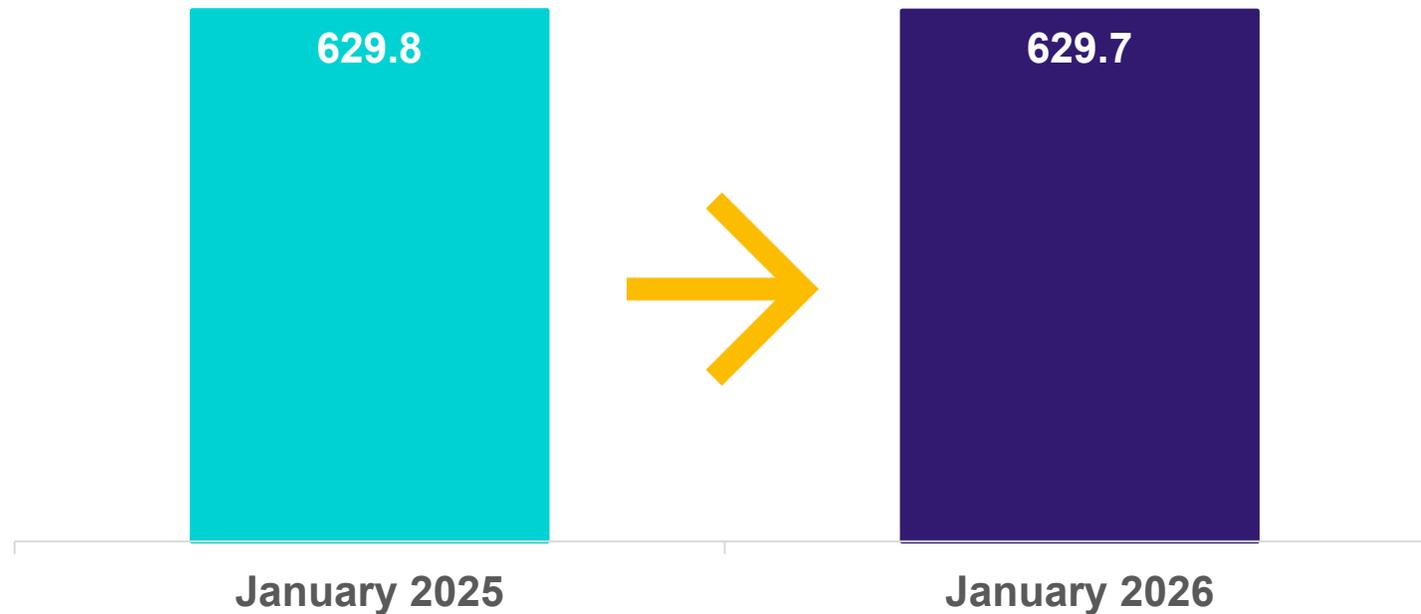

Breeze will launch two new routes from PIT in the months ahead

- Breeze Airways started service at PIT in July 2021 with four destinations
- With the addition of service to Louisville (April 30) and Myrtle Beach (July 3), Breeze will now fly 15 nonstop routes from PIT
- Breeze features a two-class product for passengers, including first class, to appeal to a broad customer base

January passenger traffic at PIT was nearly flat due in part to significant U.S. weather events

Total January Passengers

Universal Design for a People-First Airport

February 27, 2026

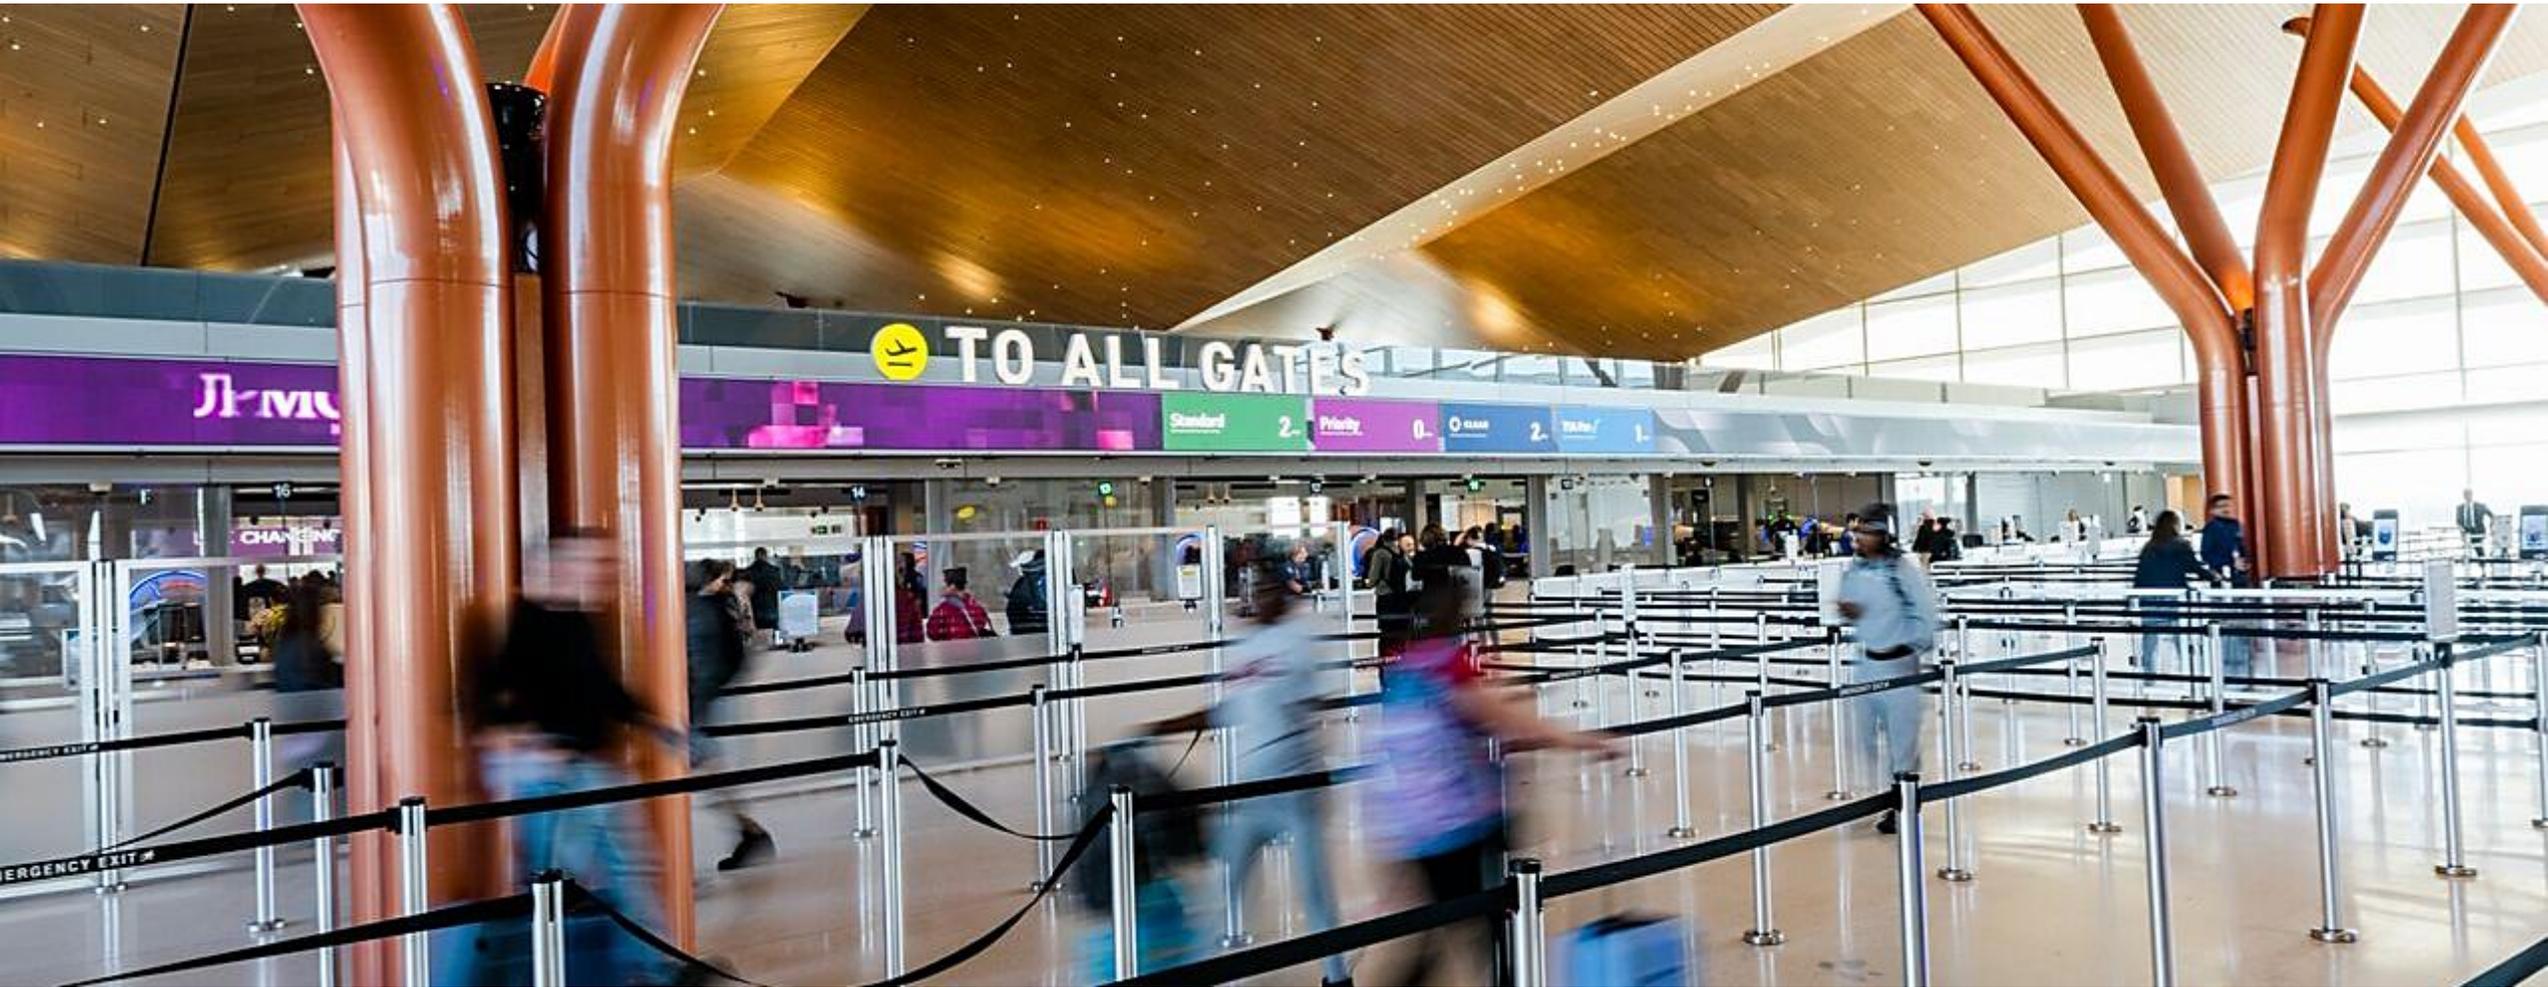

PIT is the first airport in the U.S. to be certified for universal design

A collaborative approach drove innovation from the start to shape a more accessible PIT

From planning to gate, universal design creates a more intuitive experience

Strategically designed features work in harmony to form a seamless passenger journey

Carefully curated programs complement design, supporting passengers in unexpected moments

People-first by design – because we believe everyone has the right to feel welcome at PIT
